

GIVE IT UP

A Hudson Valley Storytelling Experiment

This summer, 11 Middle Hudson Valley residents are taking part in a bold experiment investigating this conundrum: "How can we let go of our meaningful possessions?"

We need your help!

Read the true story associated with this object. Then scan the QR code to the project's response form, and do your best to persuade this object's owner to... give it up. You can read and respond to the other stories there too.

On Sept. 10, please join us at Camp Kingston (6 pm – 9 pm) for a festive event, at which point we'll announce the most persuasive responses.
